

EDUCATION

Sri Eshwar College of Engineering	B.E.(ECE)	CGPA: 8.45 (upto 5th sem)	2023 -2027
ST.Augustine Matric Higher Secondary School	HSC	77.7%	2021-2023
ST.Augustine Matric Higher Secondary School	SSLC	95%	2020-2021

INTERNSHIP EXPERIENCE

MERN STACK **2024**
Worked on MERN Stack expertise contributing to real-world projects with improved response times and query efficiency, while enhancing scalability and maintainability in diverse applications. - [LINK](#)

CLOUD COMPUTING **2025**
Completed a Cloud Computing internship with hands-on experience in AWS services like EC2, S3, IAM, and VPC. Worked on secure cloud architectures, CI/CD automation, Docker containerization, and monitoring using CloudWatch. – [LINK](#)

PROJECTS

FOOD DONATION (SURPLUS SHARE) **2024**
Tech Stack : MERN Stack [GITHUB](#)
Developed Surplus Share, a MERN stack web application connecting food donors with NGOs to reduce food waste through real-time inventory and automated donation matching. Implemented logistics and volunteer management features, securing 2nd place among 63 students in Freshathon.

TRAVEL STORY **2025**
Tech Stack : MERN Stack [GITHUB](#)
Developed a web application to securely store and preserve personal travel memories with user authentication and centralized data management. Enabled users to add, view, and manage their travel experiences through an interactive and user-friendly platform.

DIET RECOMMENDATION SYSTEM (AI/ML) **2026**
Tech Stack: Streamlit, FastAPI, Python, K-Nearest Neighbors (KNN), Pandas, NumPy, REST APIs [GITHUB](#)
Developed a personalized diet recommendation system that suggests recipes based on user-input nutritional values using intelligent recommendation techniques. Integrated real-time recipe insights, nutritional analysis, and interactive visualization through a user-friendly interface.

ACHIEVEMENT

NPTEL	Cloud Computing – 55% Introduction to Industry 4.0 and Industrial IOT - 75%
HACKATHON	PSG College, National Level Technical - Feb 2 Code O Clock 24hours (CIT College) - Oct 2024 0 To 1 Hackathon At E-Summit 2025 - IIT Delhi Zeroday (24hours) - SECE College-2025
ROJECT EXPO	Karpagam college ,2nd place-2025 KPR college , Ideathon-2025
IEEE	2nd International Conference, Revolutionizing Breast Cancer Detection - 2025
PATENTS PUBLISHED	4 th International Conference, An IOT – Enabled Smart Cold Storage Box Temperature Monitoring - 2026 REUNITE – Using Python, Django, OpenCV, Face Recognition, MERN Stack as Developed an AI-based Missing Person Identification and Alert System with real-time monitoring.
